

community has enabled the Fort Hood area to become involved in a wide range of activities and programs. Connie has helped promote creativity and the arts by developing the "Take 190 West" arts festival, a highlight of the Killeen cultural calendar. Connie's talents aren't limited to her extraordinary work ethic and commitment to service. She won 1st Place in District Nine for the Share Your Story, Share Your Dream writing contest and 2nd Place internationally.

Like all of us in Central Texas, Connie was deeply affected by the 2009 terror attack on Fort Hood. Knowing this tragedy was one we can never forget, Connie selflessly contributed her efforts and hard work into organizing the Fort Hood Memorial Dedication fundraising and ceremony. This poignant and moving memorial honors the lives of those lost that dark day and reminds all who visit of the sacrifices made in the name of freedom. Connie considers this project to be the highlight of her long career.

Connie's invaluable service and capacity to take on multiple leadership roles has left a positive and lasting impact on both her community and those she has come in contact with. Citizens like Connie Kuehl are greatly valued, and she will be missed upon her retirement. She looks forward to spending time with her two sons, Shawn and Chad Bowman, granddaughter Emily, and new grandbaby on the way. I know Connie's family is very proud of her career and achievements and I wish her much joy and happiness in the future.

NATIONAL ACADEMY OF FUTURE
PHYSICIANS AND MEDICAL SCI-
ENTISTS—ARYAN SINGH

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Aryan Singh from Katy, TX for being accepted into the National Academy of Future Physicians and Medical Scientists to represent the state of Texas at the Congress of Future Medical Leaders.

Aryan is one of eight high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Medical Leaders, a program for high school students to be recognized for their hard work in school and supported to continually strive toward their aspirations of working in the medical field. The National Academy was founded by Richard Rossi and Dr. Robert Darling; Mr. Rossi currently serves as president. The Congress is being held at the Tsongas Center at the University of Massachusetts, Lowell from June 25th through the 27th. Aryan was selected by a group of educators to be a delegate for the Congress because of his dedication to his academic success and goals of pursuing a medical science. We are proud of Aryan and all of his hard work, and know he will make Katy proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Aryan for being accepted into the National Academy of Future Physicians and Medical Scientists. Keep up the great work.

TRIBUTE TO TAMARA GRIGSBY

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Ms. MOORE. Mr. Speaker, I rise today to recognize a great woman, Tamara Grigsby. She was a social worker, family counselor, instructor, state legislator, administrator and advocate for children, women and social justice. Ms. Tamara Grigsby passed away on March 14, 2016.

Tamara Grigsby was born in Pullman, Washington and graduated from Memorial High School in Madison. She received an undergraduate degree from Howard University and Master's Degree from the University of Wisconsin-Madison.

I am honored to pay tribute to Tamara Grigsby, she was a leader extraordinaire. She taught at Carroll and Cardinal Stritch Universities, as well as UW-Milwaukee. Tamara served as program manager at the Wisconsin Council on Children and Families prior to running and winning a seat as one of my successors to serve as representative for Wisconsin's 18th Assembly District. In fact, I encouraged Tamara to run for this seat. After her retirement from the state legislature, she worked for both the Milwaukee Public Schools and Madison Public Schools. At the time of her death, she was the Director of Dane County's Department of Equity and Inclusion.

As a legislator from 2005 to 2013, Tamara proved prolific. She both introduced and passed a large number of meaningful legislation to secure equality, fairness, and opportunity for Wisconsin's citizens. In fact in 2010, she was 18 for 18, passing 18 bills the same number as the legislative seat that she held. She also served admirably as a member of the prestigious Legislature's Joint Finance Committee.

When she endured a life-threatening health battle in 2011, she fought back with the same vigor as she had exhibited on behalf of her constituents. Tamara Grigsby received many awards including the Planned Parenthood Advocates of Wisconsin most prestigious recognition, the Rebecca C. Young Legislative Leadership Award and the Congressional Black Caucus Foundation, Emerging Leader Award. Further she was named as one of the The 30 Most Influential Social Workers Alive Today in 2014 by the Social Work Degree Guide.

I am proud to have called Tamara Grigsby my friend; she made a positive impact on all of Wisconsin. She leaves behind many friends, former staffers, admirers and family members to mourn her passing including her dear parents: Dr. E. Howard Grigsby and Bettye Grigsby.

I was captivated by her passion and commitment to improving the lives of Wisconsinites. She was a fierce opponent of policies aimed at hurting public schools, health care and stronger communities. She fought to address racial and ethnic disparities in our criminal justice system, and advancing equality of rights for all.

Mr. Speaker for these reasons I rise to pay tribute to an amazing woman, Tamara Grigsby. While her time with us was a short 41 years, she leaves behind an enduring legacy for future leaders to follow.

TRIBUTE TO OFFICER FIRST
CLASS JACAI DAVID COLSON

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. HOYER. Mr. Speaker, I rise to join my Maryland colleagues in paying tribute to the life and memory of Officer First Class Jacai David Colson, who fell in the line of duty on Sunday.

Officer Colson was twenty-eight years old and had served with the Prince George's County Police Department for four years. He lost his life responding courageously to an attack by a gunman on the District Three police station in Landover, Maryland. He did what he and his brothers and sisters in law enforcement have been trained to do: run toward gunfire in an attempt to save lives and protect bystanders and their fellow officers.

Officer Colson is a hero, and our thoughts and prayers are with his family and his fellow officers. His father, James Colson, called his son 'courageous' and 'an excellent role model.' Officer Colson's high school football coach cited his extraordinary character and how he 'treated everyone with respect.'

Originally from Delaware County, Pennsylvania, Officer Colson followed in the footsteps of his grandfather, who served on the Upper Chichester Township police force in Delaware County for more than four decades. Prince George's County was fortunate to have Officer Colson on the force, and he left a lasting impression on so many people both here in Maryland and back home in Pennsylvania.

I join with my Maryland colleagues in mourning this tragic loss and honoring Officer Jacai Colson for his service to our Prince George's County communities, to the State of Maryland, and to our country.

PERSONAL EXPLANATION

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. BLUMENAUER. Mr. Speaker, had I been present for the Motion on Ordering the Previous Question on the Rule providing for consideration of H.R. 2745, (Roll Call Number 131) I would have voted "nay."

Had I been present for the vote on H. Res. 653, the rules for consideration of H.R. 2745, the Standard Merger and Acquisition Reviews Through Equal Rules Act, (Roll Call Number 132), I would have voted "nay."

Had I been present for the vote on H.R. 4742, the Promoting Women in Entrepreneurship Act (Roll Call Number 133), I would have voted "aye." I applaud Rep. ESTY's effort to expand the mission of the National Science Foundation to encourage its entrepreneurial programs to recruit and support women and to extend their focus beyond the laboratory and into the commercial world. While women make up about half the U.S. workforce, they only account for about 1 in 4 of those working in STEM fields. This bill is an important part of the larger effort to expand entrepreneurial opportunities for women in the STEM fields.

Had I been present for the vote on H.R. 4755, the Inspiring the Next Space Innovators,
